

Course Satisfaction Survey for the Summer Semester 2023

In order to improve the quality of our education by measuring the student's response to the courses in the 2023 Summer semester, we are conducting a course satisfaction survey as follows. We are looking forward to your cooperation.

- A. Survey Period: July 24, 2023 (Monday) – July 28, 2023 (Friday)
- B. Method: Online (through Zeus homepage)
- C. Survey Subjects: Open courses in 2023- Summer semester
 - ※ Excluding research courses and some common courses opened at the head office.
- D. Result Inquiry: E-mail, after grade submission deadline

2023 Summer Semester Graduate and Undergraduate Course Satisfaction Survey Implementation Plan

1. Purpose for Course Satisfaction Survey

- To improve the quality of our school's education and to develop improvement-oriented teaching methods by measuring the responses of students to the courses on the Summer semester of 2023.

2. Participants of the Survey

- In principle, **all subjects opened by the faculty (department) and head office in the Summer semester 2023** will participate, except for the following: Research courses (thesis research, individual research, seminars)

3. Survey Period: 1 weeks before 2023 Summer semester final exam.

※ July 24, 2023 (Mon.) – July 28, 2023 (Fri.)

4. How to Participate

- Go to the PORTAL homepage (<https://portal.gist.ac.kr>) and login.
- My Service → Grades → Course Satisfaction Survey → Participate in the Course Satisfaction Survey

Go to the PORTAL homepage (<https://portal.gist.ac.kr>)
→ Log in
→ Click “My Service”
→ Click 성적(Grades)
→ Click 교과만족도 조사(Course Satisfaction Survey)

5. Survey Method

- Required Subjects: 5 questions; Optional Subjects: 2 questions

6. Use of Survey Results

- As reference used to improve teaching methods for professors in charge of each subject.
- In principle, individual evaluation results are private and not to be disclosed internally and externally but It can be used for evaluation at the request of the department.
